

COOKIE POLICY

The site www.sgsassociati.com uses cookies to make its services easy to use and efficient for users viewing pages on www.sgsassociati.com. Users viewing the site will fill in the minimal amounts of information necessary for their devices, namely computers and mobile devices, in small text files called “cookies” stored in the directories used by the Web Browser User. There are several types of cookies, some to create a more efficient use of the Site, others to enable certain functionalities. In detail our cookies allow you to:

- Save your inserted preferences;
- Avoid reinserting the same information several times during the visit such as user name and password;
- Examine the use of the services and content provided by www.sgsassociati.com to optimize the browsing experience and services offered.

Types of Cookies

Technical cookies: this type of cookies allows for the proper operation of certain sections of the site. There are two categories: persistent cookies and session cookies:

- **Persistent cookies:** once you close your browser they are not destroyed but remain intact up until a preset expiration date
- **Session cookies:** are destroyed every time the browser is closed

These cookies, always sent from our domain, are required to view the site and in relation to technical services offered, so they are always used and sent, unless the user changes the settings in his/her browser (thus affecting the display of site pages).

Analytical cookies

Cookies in this category are used to collect information about the site. www.sgsassociati.com will use this information for anonymous statistical analysis to improve the use of the Site and to make the content more interesting and relevant to the wishes of users. This type of cookies collects anonymous data on the activity of users and how they reached the site. The analytical cookies are sent from the site or from third-party domains.

Cookies for the analysis of third-party services

These cookies are used to collect information on the use of the Site by anonymous users such as page views, time spent, origin of sources of traffic, geographic origin, age, gender and interests for the purpose of marketing campaigns. These cookies are sent from third-party domains external to the Site.

Cookies to integrate products and functions of third-party software

This type of cookies incorporates features developed by third parties within the pages of the Site as icons and preferences expressed in social networks in order to share the contents of the site or for the use of its services or third-party software (such as software generated maps and additional software that offer additional services). These cookies are sent from third-party domains and partner sites that offer this functionality for the pages of the Site.

Profiling cookies

Those cookies are needed to create user profiles in order to send advertising messages in line with the preferences expressed by the user within the pages of the Site. www.sgsassociati.com

sgsassociati.com, according to current legislation, is not required to seek consent for technical and analytical cookies, in order to provide the required services. For all other types of cookies the user may express consent in one or more of the following modes:

- by means of specific configurations of the browser or its programs used to navigate pages that make up the site.
- by changing settings in the use of third-party services

Both of these solutions might prevent you from using or viewing parts of the Website.
